

Families Welcome!

Events and news for families from Wroughton Parish Church

Did you know...

The sun is actually **white when seen from space** because its light is not scattered by our atmosphere

Humans are **bioluminescent** from our metabolic reactions but our glow is 1,000 times weaker than the naked eye can register

The world's longest lasting lightbulb, the **Centennial Light** in California, has reportedly been burning since 1901, with a few interruptions during power failures

Come and join us for lots of light, bright fun! Craft, games and tasty tea for all the family.

Put on your brightest outfit and come along!

Season of light!

As the nights draw in light becomes increasingly important to us, and it plays a big part in all of our celebrations over the coming months. Together we light up our pumpkins, bonfires and fireworks and then our Christmas candles...

It's hard to imagine life without electricity now, but many of the traditions that we have around this time of year were born in a time when darkness was much more difficult to overcome and often seen as something sinister. Lighting fires and candles was a way of keeping dark things at bay and reminded people that Jesus came as 'the light of the world' into darkness to bring us hope. It's the arrival of that hope which we go on to celebrate each Christmas.

Carol singing..

Enjoy a bit of a 'fa-la-la-la-la'? Come and join us for a spot of family carol singing around the village on Sunday 17th December- starting at 2pm in the Parish Hall. Mince pies and hot chocolate to enjoy together afterwards!

CHURCH AT 4

an informal service with music, teaching, prayer, children's activities and time for a cuppa...

Find out more- every Sunday 4pm in the Parish Church Hall

JINGLE YOUR CHRISTINGLE!

Christingle celebrations are named after the Christingles that are lit during the service. Christingles are made from an orange decorated with red tape, sweets and a candle- and we use them to think about Christmas as we sing carols, listen to a story and have fun together. Our Christingle services are hugely popular with families and all ages of children- come either at 3pm or 5pm on Christmas Eve to get your Christmas started!
