**Events and news for families from Wroughton Parish Church**

## Roll on summer!

Whatever we have planned over the summer months, most of us like to see a bit of sunshine! Whether we're away on holiday or staying at home, many of us look forward to a break from the normal routine.

Summer holidays may not always be as relaxing as we'd like them to be, but having a break and time to spend together as family helps us to slow down and pay attention to the little things that we easily miss. During the summer the church goes into something called 'ordinary time'- there are no more festivals until the Autumn- and celebrating 'ordinariness' seems to be a good thing to do, pointing us towards appreciating the everyday stuff of our lives.
